

MirroFlex Door Skins

MirroFlex™ Door Skins are designed to apply over existing flat panel doors for a new, fresh look without the expense. Skip the time consuming installation of new doors and the price! With this environmentally friendly solution, you no longer have to send old doors to the landfill.

Don't send doors to landfills,
Remodel them with Door Skins!

Features:

- Stock Collection
- Adhesive Backing
- Easy Adhesion and Fabrication
- High Impact and Chemical Resistance
- UV Stability
- Can be Fire Rated - depends on type of adhesive and type of door
- Cut to fit most common door sizes
- Formed versions available to cover panel doors
